Who We Are ?

Chairman's Message

Established in 2004 with a vision and mission to become the region's leader in providing efficient and world-class event security solutions, GENTUR SECURITY Solutions has gained immense popularity in the region due to the nature of its commitment and sheer dedication towards delivering fool-proof security. Events, whether they are celebrity events, product launches or local gatherings have a lot of importance for the participants as well as for the organizers and a compromise in the security arrangements could either make or break the event. We at GENTUR SECURITY In the past 18 years within the UAE have trained suitable workforce, and at the same time provided cost effective and professional customer service security for over 200 concepts. The list of our satisfied customers is testimony to our commitment. Gentur Security operates in all market segments and we invest heavily in staff training. Our training provide a variety of industry, customer service and client specific programmes for Gentur Security employees that will ensure our people are best positioned to deliver the highest level of service to our customers while offering them a challenging and rewarding career. Our company values of Integrity, Teamwork, Attitude, Performance and Passion were carefully chosen and form the frame work for our commitment to outstanding customer service. We continue to make significant investments in technology to ensure both our internal and external processes deliver outstanding customer service and security enhanced by real-time monitoring and response.

Thank you and peace be upon you and may God grant Us with his mercy and blessings.

Mr. Nayeem Moosa

Managing Director of Gentur Security Group

What We Offer You ?

Gentur Security is an international provider of security services that was established in 2004.
